BRET BROTHERS & La Soufrandière

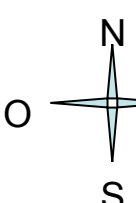

- MÂCON-CRUZILLE BB**
30 to 60 year old vines on a magnificent clay and white limestone terroir.
- MÂCON-CHARDONNAY BB**
Great terroir made of white limestone. West facing.
- MÂCON-CHARDONNAY CLIMAT « LES CRAYS » BB**
One of the best Terroir of Chardonnay Village. West-facing, on limestone. 2nd year of Organic Growing
- MÂCON-UCHIZY CUVÉE « LA MARTINE » BB**
50 years old vines. East facing. A rich and fruity wine, grown on deep soil of limestone.
- MÂCON-VILLAGES CUVÉE « EPHEMERE » BB**
Blend of 2 terroirs located in Burgy & Chardonnay.
- VIRE-CLESSE CLIMAT « LA VERCHERE » BB**
45 year-old vines North of Viré facing East. Soil of clay and limestone. Floral and fruity.
- VIRE-CLESSE CLIMAT « SOUS LES PLANTES » BB**
Old vines aged 55 to 70 years South of Viré. Facing East, in the lower part of the coteau. Deep soil of limestone, clay and silt. Fruity as a young wine enhancing minerality as it ages.
- BOURGOGNE ALIGOTE Cuvée « ALIGATO » S**
Great parcel, East facing on the foot of the Vergisson Rocky.
- SAINT-VERAN CUVÉE « LA COMBE DESROCHES » S Conv AB**
Located in a superb north-facing valley, on marly clays. A wine with Plenty of freshness.
- SAINT-VERAN CLIMAT « LA BONNODE » S**
Magnificent, east-facing, 2-hectare parcel, located just below the Vergisson Rock, in Prissé. A gorgeous, cellar-worthy wine.
- POUILLY-LOCHE CLIMAT « LA COLONGE » BB**
35 year-old vines in mid-slope on clay and silt, facing east. Fruity!
- MÂCON-VINZELLES « LE CLOS DE GRAND-PERE » S**
Old vines averaging 50 years, in the bottom parts of the Pouilly-Vinzelles coteau.
- POUILLY-VINZELLES S**
35 – 50 years old vines of our PVinzelles Les Quarts. Freshness and density
- POUILLY-VINZELLES CLIMAT « LES LONGEAYS » S**
The 40 year-old La Soufrandière vines face East-South-East halfway up the limestone and clay of the slope. Each year they give a very dense and fruity wine.
- POUILLY-VINZELLES CLIMAT « LES QUARTS » S**
The oldest vines of La Soufrandière, aged 45 to 80 years, facing East-South-East on the best terroir of Pouilly-Vinzelles, A magnificent clay and limestone slope with iron oxide (red clay).
- POUILLY-VINZELLES « LES QUARTS » Cuvée Millerandée S**
The really oldest vines of La Soufrandière, more than to 80 years tiny and concentrated berries. A Grand Cru ?!
- POUILLY-FUISSE « EN CHATENAY » S**
Beautiful 70-are parcel, located on the northern side of the Vergisson Rock, on clay-limestone soils.
- POUILLY-FUISSE « TERRES DE VERGISSON » BB**
The true style of Vergisson. Minerality and fruitness for these old vines.
- POUILLY-FUISSE CLIMAT « LA ROCHE » BB**
A magnificent Vergisson terroir, facing East. The 50 year-old vines reveal the minerality of a very calcareous soil.
- POUILLY-FUISSE CLIMAT « EN CAREMENTRANT » BB**
One of Vergisson's best calcareous terroirs, fully facing south with a selection of old vines aged 50 to 60 years.
- POUILLY-FUISSE CLIMAT « LES CRAYS » BB**
The best terroir of Vergisson? Stony steep slope, south facing 50 years old vines, shot berries. A great Chardonnay wine!
- POUILLY-FUISSE CLIMAT « AU VIGNERAIS » S**
Magnificent terroir on the southern hillside of the Solutré Rock. The clay-limestone soils are very red and rich in oxidized iron.
- POUILLY-FUISSE CLIMAT « LES CHEVRIERES » BB**
A former goats bushes area, very rocky and stony. West facing, Iron oxide, shot berries. A rich but still elegant style.
- POUILLY-FUISSE CLIMAT « LE CLOS REYSSIE » BB**
The best known terroir in Chaintré producing rich and balanced wines. 75 year old wines situated on the lower part of the slope

- BEAUJOLAIS-LEYNES «GLOU DE JEFF» BB**
Located in the village of Leynes. Old Gamay vines planted on a very steep (25%), south-facing granite slope. An extraordinary terroir.
- SAINT-VERAN CLIMAT « EN COMBE » BB**
Found at Chasselas, South of the Saint-Véran Appellation very good terroir of clay and limestone with iron oxide, and enhanced by 35 year-old vines
- BEAUJOLAIS-LEYNES «BIEN VENU» S et BB**
Found at Leynes. Fully facing South. The 35-60 year old vines of Gamay grow on a fantastic granitic «Terroir».
