Deep and sweet, fragrant and earthy in the nose, this is a remarkable Brouilly that effortlessly reinterprets this appellation. Stunning interplay of gentle tannins, refined red-fruit character and mineral acidity on the palate. Very long finish that's subtle and light-footed. Limited production. From organically grown grapes. Drink or hold.

Light-footed and pretty, in spite of the generous body, this is floral in the nose, but the tannins build steadily at the finish and enable it to make quite a statement. Limited production. From organically grown grapes. Drink now.

A floral and expressive Fleurie with a fascinating interplay of restrained ripeness (think forest berries) and mineral freshness with savory character. Long and complex finish with a light touch. From organically grown grapes. Drink or hold.
